

WSA WELD SUPPLIERS AUSTRALASIA

Excellence in Resistance Welding

Specialising in the supply of bent adaptors to the Automotive Industry

- *Electrode holders & Arms.*
- *In house Thermal Treatment facility.*
- *Individual parts or quantity production.*
- *Short delivery times.*
- *Components manufactured from drawings or samples.*
- *Alloys: CuCrZr, CuCoBe, CuNiSi, CuNiP, Cu, Al, Brass.*
- *Diameters: 16, 20, 25, 40, 50, 55 & 60mm*

- *Cold Forming Manufacturing Technology enables the production of 90 degree angled parts with minimum radius.*
- *Manufacturing processes include stamping, extrusion, bending & cold forming.*
